Illinois Institute of Technology

Survey of Computer Science Alumni

As part of IIT's process for continuous improvement of programs, we are requesting your help as an alumni with a BS in Computer Science. Please take a few minutes to complete this survey. Each page of the survey relates to a Program Objective defined for each BS in CS alumni. If you also received an advanced degree from IIT, please confine your answers to your BS in CS program at IIT.

Thank you.
 Matthew Bauer, Computer Science, Director of Undergraduate Programs
